

## Table Rock Lake Marina Association Shoreline Cleanup

Rally your neighbors, friends, family or church group to volunteer for the annual Shoreline Cleanup on Table Rock Lake, Saturday, April 3rd, 2010! Do you live work or play around Table Rock Lake and value its clean water and beautiful scenery? Action is needed to keep Table Rock Lake clean by picking up the trash, cans, bottles, styrofoam, tires, illegally dumped items and other junk that collects on the shore.

The 2009 cleanup had a record turn-out of over 1000 volunteers who picked up 14 tons of trash. Table Rock Lake has over 700 miles of shoreline and much more trash needs to be cleaned up so volunteers are always welcome and appreciated!

We encourage volunteers to sign up for the cleanup by calling us (417-739-4100) or going on our website: [www.trlwq.org/shorelinecleanup.html](http://www.trlwq.org/shorelinecleanup.html). We at Table Rock Lake Water Quality Inc. coordinate the cleanup by helping volunteers choose a location to work, putting individuals with other groups and providing cleanup supplies and information to many of our veteran team "captains" who organize their cleanup groups. We provide trash bags, gloves, water bottles, snacks and dumpsters to throw the trash into. Please remember, no appliances or tires in the dumpsters, put these items along side the dumpster to be picked up separately and recycled.

Volunteers that sign up and fill out their trash tracking form get a free Shoreline Cleanup T-shirt and camping voucher for Corp of Engineers Campgrounds around Table Rock Lake, 2010. Financial support for this cleanup effort comes from Table Rock lake Marina Association and many other local businesses so you may also become a financial sponsor of Shoreline Cleanup.
